

# BEER & WINE

Mark Sawall searches worldwide for enjoyable wines at a great price, just for you, working with grape growers, wineries, and local distributors and importers. Sawall's brings you a wide selection of quality wines including wines made with organic grapes, with no added sulfites and wines that have been sustainably produced.

Southwest Michigan is well known for Craft Beer and so is Sawall's. Bringing you the best locally produced Craft Beers including [Bell's](#), [Founder's](#), [Arcadia](#), [Short's](#) and [Atwater's](#), to name a few. You will find craft brews from across the United States as well as Europe.

Sawall's also specializes in gluten-free beer from American and European breweries. There is a style for every palate including Lager, Blonde Ale, Amber Ale, Raspberry Ale, Bock, Ciders and Kombucha.
